

Corrections

In the article “Requirement for DNA Ligase IV during Embryonic Neuronal Development,” by Susanne A. Gatz, Limei Ju, Ralph Gruber, Eva Hoffmann, Antony M. Carr, Zhao-Qi Wang, Cong Liu, and Penny A. Jeggo, which originally appeared on pages 10088–10100 of the July 6, 2011 issue, the author contributions were indicated incorrectly. Dr. Susanne A. Gatz is the single first author of this manuscript. Dr. Cong Liu and Dr. Penny A. Jeggo contributed equally to this work. This work was additionally supported by the Chinese NSF funding (30970950).

In the article “Synaptic Autoregulation by Metalloproteases and γ -Secretase,” by Sophie Restituto, Latika Khatri, Ipe Ninan, Paul M. Mathews, Xin Liu, Richard J. Weinberg, and Edward B. Ziff, which originally appeared on pages 12083–12093 of the August 24, 2011 issue, the wrong NIH grant number, R01 AG13620 (to E.B.Z.), was cited. The correct NIH grant number is R37 AG13620 (to E.B.Z.). The authors regret this mistake.
