Correction: In the article, “cAMP Response Element-Binding Protein Regulates Differentiation and Survival of Newborn Neurons in the Olfactory Bulb,” by Claudio Giachino, Silvia De Marchis, Costanza Giampietro, Rosanna Parlato, Isabelle Perrotteau, Günther Schütz, Aldo Fasolo, and Paolo Peretto, which appeared on pages 10105–10118 of the November 2, 2005 issue, the concentrations of the kinases inhibitors used (KN62, LY294002, PD98059 and Rp-cAMP) were incorrectly designated as mM, and should have been μM.
