Are you only scratching the surface?

If you are using any other method for ad libitum food intake measurements you are only scratching the surface. The BioDAQ Food & Water Intake Monitor records the native episodic intake behavior of rats and mice at very high resolution in their home cage. Discover the time and date of the initiation of feeding and drinking behavior, how much was consumed, and the period of the feeding or drinking activity.

Discover what's under the surface ... visit www.researchdiets.com

BioDAQ®

Lambda XL
Extended Life Light Source

The Lambda XL is a broad spectrum, highly stable light source (±1% peak-to-peak fluctuations) with an expected lamp life of 10,000 hours. The light intensity can be adjusted to different levels of attenuation and the liquid light guide connection assures output uniformity in the field of view.

FEATURES

- 10,000 hour expected life
- Highly stable
- No high-voltage pulse
- No alignment necessary
- Built-in driver for optional filter wheel and shutter
- Adaptable to most microscopes

2011 BRAIN DEVELOPMENT CONFERENCE
Vancouver, BC
June 19 - 21, 2011

Speakers:
Dr. Fraser Mustard, advocate for early child health
Jay Ingram, host of Daily Planet on Discovery Channel
Dr. Matthew Goodwin, MIT Media Lab
Dr. Stephen Huhn, StemCells, Inc.

Expert panels:
Autism public forum
Imaging the brain
Computer games as therapy
Gene discovery and ethics

Register online:

The Society for Neuroscience announces the call for nominations for the Career Development Award, recognizing young neuroscientists who have demonstrated originality and creativity in research.

DEADLINE: MAY 27
For details, visit www.sfn.org/cda
GIVE TO THE
FRIENDS OF SfN FUND

Give back by supporting the next generation of neuroscientists through travel awards and other career development initiatives.

To make a tax-deductible donation, simply mail a check payable to the Society for Neuroscience and note Friends of SfN in the memo line of your check. Gifts should be mailed to:

Society for Neuroscience
c/o Friends of SfN
1121 14th Street, NW Suite 1010
Washington, DC 20005

To inquire about specific initiatives you can help to support, visit www.sfn.org/supportsfn or e-mail: crush@sfn.org.
The Society for Neuroscience announces the call for nominations for the Peter and Patricia Gruber International Research Award in Neuroscience, recognizing young neuroscientists for outstanding research and educational pursuit in an international setting.

**DEADLINE: MAY 27**
For details, visit www.sfn.org/pgi

The Society for Neuroscience announces the call for nominations for the Donald B. Lindsley Prize in Behavioral Neuroscience, recognizing an individual for his or her outstanding PhD thesis in the area of behavioral neuroscience.

**DEADLINE: MAY 27**
For details, visit www.sfn.org/lindsley

The Society for Neuroscience announces the call for nominations for the Jacob P. Waletzky Award, presented to an outstanding young scientist who has conducted or plans to conduct research in the area of substance abuse and the brain and nervous system.

**DEADLINE: MAY 27**
For details, visit www.sfn.org/waletzky

The Society for Neuroscience announces the call for nominations for the Young Investigator Award, recognizing a young neuroscientist’s outstanding achievements and scientific contributions.

**DEADLINE: MAY 27**
For details, visit www.sfn.org/yia
The Society for Neuroscience announces the call for nominations for the Patricia Goldman-Rakic Hall of Honor, posthumously recognizing an outstanding neuroscientist who pursued career excellence and exhibited dedication to the advancement of women in the field of neuroscience.

**Deadline: June 3**
For details, visit www.sfn.org/rakic

The Society for Neuroscience announces the call for nominations for the Bernice Grafstein Award for Outstanding Accomplishments in Mentoring, recognizing individuals who are dedicated to promoting women’s advancement in neuroscience and have made outstanding accomplishments in mentoring.

**Deadline: June 3**
For details, visit www.sfn.org/grafstein

The Society for Neuroscience announces the call for nominations for the Louise Hanson Marshall Special Recognition Award, recognizing an individual who has significantly promoted the professional advancement of women in the field of neuroscience through teaching, organizational leadership, or other efforts.

**Deadline: June 3**
For details, visit www.sfn.org/marshall

The Society for Neuroscience announces the call for nominations for the Mika Salpeter Lifetime Achievement Award, recognizing an individual with outstanding career achievements in neuroscience and contributions to the professional advancement of women in the field.

**Deadline: June 3**
For details, visit www.sfn.org/salpeter
