Launching in Spring 2012

The Journal of Neuroscience comes to Mobile Web

Access all of your journal resources wherever you go

- *The Journal of Neuroscience* will soon be available for comprehensive and universal mobile access
- Gain quick access to *The Journal* articles, table of contents, and the features you have come to expect from the premier journal in the field
- Connect to *The Journal* from virtually any mobile device, anywhere a web connection is available
SfN members enjoy premium services, including resume posting and job alert e-mail notices.

Have you seen SfN’s enhanced job site?

NeuroJobs — the premier online neuroscience career center — helps you find jobs and manage your career. NeuroJobs is now part of the National Healthcare Career Network providing access to even more career opportunities.

For your next career search, visit NeuroJobs first!

www.sfn.org/neurojobs

The National Healthcare Career Network (NHCN) is a consortium of healthcare association job boards working together to provide the most effective recruitment resource.

  - Duke University

**Join the Conversation**

NeurOnLine is a new, SfN members-only online community where you can share great science, network, forge collaborations, and keep in touch — anytime, anywhere — within a trusted forum. As with the SfN annual meeting and *The Journal of Neuroscience*, NeurOnLine’s content and discussions will be generated by members, for members.

- Discuss emerging scientific findings
- Explore new tools and techniques
- Network year-round within the global community, more than 41,000 members worldwide
- Share experiences and receive or provide mentoring on different career paths, stages, and challenges
- Get involved in public outreach, from Brain Awareness and science teaching to advocacy

*NeurOnLine will help you advance your science and career on your schedule.*
