We offer a large collection of well characterized antibodies against neuroscience related proteins. Most of our antibodies are exclusively available at Synaptic Systems and have been developed in-house in close collaboration with renowned experts in the field. Purchase your antibodies directly from the manufacturer and benefit from our experience and expertise.

2013 International Research Symposium

November 22 - 23, 2013
Hyatt Regency Baltimore on the Inner Harbor
Baltimore, Maryland

Interested in attending a FREE full-day event to learn more about the latest research on tau-based brain diseases, such as progressive supranuclear palsy (PSP) and corticobasal degeneration (CBD)?

CurePSP’s 2013 Symposium will include lectures by invited speakers, presentations by researchers supported by CurePSP grants, presentations of submitted posters, and open discussion.

Contact Adrienne Bantum at 800-457-4777 or bantum@cure PSP.org to register for this FREE event. Space is limited, so make your plans today!

Please visit www.cure PSP.org for more details.

Become part of the world’s largest organization of scientists and physicians devoted to understanding the brain and nervous system.

Join now and enjoy exclusive member benefits:

- Reduced fees and advanced registration for Neuroscience 2013
- Online subscription to The Journal of Neuroscience
- Eligibility for abstract submission for the annual meeting
- Networking and scientific discussion on NeurOnLine
- Free online access to the European Journal of Neuroscience
- Premium career services through NeuroJobs
- And more!

Share the wonders of the brain and mind with BrainFacts.org

Seeking resources to communicate with the public about neuroscience? Educating others through Brain Awareness activities?

BrainFacts.org can help you communicate how the brain works.

Explore BrainFacts.org for easy-to-use, accessible resources including:

- Information about hundreds of diseases and disorders
- Concepts about brain function
- Educational tools
- Multimedia tools and a social media community
- Interviews and discussions with leading researchers; and more
