SCIENCE, MATHEMATICS & RESEARCH FOR TRANSFORMATION

OPEN TO: Undergraduate, graduate, and doctoral students pursuing degrees in Science, Technology, Engineering, & Mathematics (STEM) fields

SMART Scholars receive:
+ Full tuition and educational fees
+ Generous cash stipend
+ Employment with Department of Defense facilities after graduation
+ Summer internships, health insurance, & book allowance

For more information and to apply, visit HTTP://SMART.ASEE.ORG

In accordance with Federal statutes and regulations, no person on the grounds of race, color, age, sex, national origin, or disability shall be excluded from participating in, denied the benefits of, or be subject to discrimination under any program activity receiving financial assistance from the Department of Defense.

Assistant Full Professor
Northwestern University Feinberg School of Medicine

The Department of Physiology (http://www.physio.northwestern.edu) of the Northwestern University Feinberg School of Medicine in downtown Chicago invites applications for a full time tenure track position at the Assistant - Full Professor rank in the area of cellular and/or systems neuroscience.

Applicants should have a Ph.D. or M.D. degree and an outstanding record of research in cellular and/or systems neuroscience that adds to existing departmental strengths in sensorimotor integration, pain perception, studies of neurodegeneration, and learning and memory. Individuals using animal models and innovative experimental techniques including biochemical or molecular approaches, optical imaging, optogenetics, multi-electrode recordings and behavioral measures are particularly encouraged to apply, but the scientific excellence of the candidate is more important than the particular area of research.

Applicants should send (as a single PDF) a cover letter, curriculum vitae, a two-page description of research accomplishments and plans, and the name and contact information for three references to cellular-systems-neuroscience@northwestern.edu. Please quote reference number 21007. Start date is negotiable.

Northwestern University is an Affirmative Action, Equal Opportunity Employer. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.
The Journal of Neuroscience is mobile!

Access all of your journal resources wherever you go

- *The Journal of Neuroscience* is available for comprehensive and universal mobile access.
- Gain quick access to *The Journal* articles, table of contents, and the features you have come to expect from the premier journal in the field
- Connect to *The Journal* from virtually any mobile device, anywhere a web connection is available
Give to the Friends of SfN Fund
Join us in forging the future of neuroscience

Support a future of discovery and progress through travel awards and public education and outreach programs.

To inquire about specific initiatives or to make a tax-deductible contribution, visit SfN.org or email: development@sfn.org.
Submit Your Research

Now accepting abstracts for the Scientific Program at the world’s largest gathering of neurologists and neurology professionals.

Submission deadline: October 28, 2013

TRANSLATE NEUROSCIENCE DISCOVERIES INTO THERAPEUTICS

Technology targeted to your Neuroscience research

- Enable the discovery of novel targets and pathways with quality reagents and cutting-edge gene editing technology
- Create diverse and unique compounds with the largest portfolio of building blocks, catalysts and reagents
- Accelerate novel compound discovery with a chemically diverse array of compounds and screening libraries
