Support the next generation of neuroscientists through travel awards and other career development initiatives.

To inquire about specific initiatives, or to make a tax-deductible donation, visit www.sfn.org/supportsfn or e-mail: development@sfn.org.
Share the wonders of the brain and mind with BrainFacts.org

Seeking resources to communicate with the public about neuroscience? Educating others through Brain Awareness activities?

*BrainFacts.org* can help you communicate how the brain works.

Explore *BrainFacts.org* for easy-to-use, accessible resources including:

- Information about hundreds of diseases and disorders
- Concepts about brain function
- Educational tools
- Multimedia tools and a social media community
- Interviews and discussions with leading researchers; and more

Visit *BrainFacts.org*
Launched in Summer 2012

The Journal of Neuroscience comes to Mobile Web

Access all of your journal resources wherever you go

- *The Journal of Neuroscience* is available for comprehensive and universal mobile access.
- Gain quick access to *The Journal* articles, table of contents, and the features you have come to expect from the premier journal in the field
- Connect to *The Journal* from virtually any mobile device, anywhere a web connection is available
SfN members enjoy premium services, including resume posting and job alert e-mail notices.

Have you seen SfN’s enhanced job site?

NeuroJobs — the premier online neuroscience career center — helps you find jobs and manage your career. NeuroJobs is now part of the National Healthcare Career Network® providing access to even more career opportunities.

For your next career search, visit NeuroJobs first!

www.sfn.org/neurojobs

The National Healthcare Career Network (NHCN) is a consortium of healthcare association job boards working together to provide the most effective recruitment resource.
Who’s on NeurOnLine?

Joanne Berger-Sweeney  
SfN’s Professional Development Committee Co-chair  
Tufts University

Emanuel DiCicco-Bloom  
SfN Public Education and Communication Committee Member  
Robert Wood Johnson Medical School

Emma Duerden  
SfN 2009 Next Generation Award Winner  
The Hospital for Sick Children

Erich Jarvis  
SfN’s Professional Development Committee Member  
Duke University

NeurOnLine is a new, SfN members-only online community where you can share great science, network, forge collaborations, and keep in touch — anytime, anywhere — within a trusted forum. As with the SfN annual meeting and The Journal of Neuroscience, NeurOnLine’s content and discussions will be generated by members, for members.

- Discuss emerging scientific findings
- Explore new tools and techniques
- Network year-round within the global community, more than 41,000 members worldwide
- Share experiences and receive or provide mentoring on different career paths, stages, and challenges
- Get involved in public outreach, from Brain Awareness and science teaching to advocacy

NeurOnLine will help you advance your science and career on your schedule.

Small molecule, big impact.

With more than 4,000 bioactive small molecules from Sigma® Life Science, your next discovery could impact thousands of lives.

Biopursuit.

Sigma understands when you work in drug discovery, there are some small molecules you shouldn’t be without. That’s why we offer an extensive collection of approved therapeutics and literature compounds for your research. Our portfolio also includes many therapeutics from Pfizer, Merck, Eli Lilly and others currently in clinical trials for the treatment of Alzheimer’s disease.

Stop the progression of Alzheimer’s
