Faculty Positions  
Department of Pharmacology  
The University of Michigan

The Department of Pharmacology is seeking applications for two tenured/tenure-track positions at the ASSOCIATE or PROFESSOR level. We are seeking outstanding individuals with research experience and interests that augment current department initiatives in Drug Metabolism, Pharmacogenetics, Clinical Pharmacology, Signal Transduction, Cancer Pharmacology, Neuropharmacology/Behavioral Pharmacology, Addiction Research, or Cardiovascular Pharmacology. Qualifications include a Ph.D. in Pharmacology or a related discipline and/or M.D. degree, a strong record of nationally competitive external funding, a sustained record of excellent research productivity, and an outstanding national reputation in their field of interest. Applicants will be expected to maintain extramural funding, participate in the teaching of both medical and graduate school courses, and to support and mentor graduate students and postdoctoral fellows. An attractive startup package including excellent laboratories and generous startup funds will be available. Salary will be commensurate with experience.

The successful candidates will join a dynamic, diverse, and collaborative department in a Top 10 Medical School in a university setting with superb opportunities for continuing career development. The quality of life in Ann Arbor is outstanding. The combination of a large, major research university and a small, safe, family-oriented community make Ann Arbor an ideal environment. Ann Arbor offers an outstanding combination of sports, recreation, and cultural events.

Applicants should send their curriculum vitae, a three-page summary of their research program and future research plans, and information related to past and current teaching experience as a single PDF file to effergie@umich.edu. Three letters of recommendation should also be sent electronically. Address all correspondence to:

Dr. Peggy Gnegy, Chair  
Pharmacology Search Committee  
Department of Pharmacology  
The University of Michigan Medical School  
1150 West Medical Center Dr.  
Ann Arbor, MI 48109-5632

Review of applications will begin on February 24, 2014, and will continue until both positions are filled.  
The University of Michigan is an Affirmative Action/Equal Opportunity Employer. Applications from qualified women, minorities and/or disabled individuals are encouraged.

NeurOnLine is an SfN members-only online community where you can share great science, network, forge collaborations, and keep in touch—anytime, anywhere—within a trusted forum. As with the SfN annual meeting and The Journal of Neuroscience, NeurOnLine’s content and discussions will be generated by members, for members.

- Discuss emerging scientific findings
- Explore new tools and techniques
- Network year-round within the global community, nearly 42,000 members worldwide
- Share experiences and receive or provide mentoring on different career paths, stages, and challenges
- Get involved in public outreach, from Brain Awareness and science teaching to advocacy

NeurOnLine will help you advance your science and career on your schedule.

The History of Neuroscience in Autobiography Series

Edited by Larry R. Squire

Outstanding neuroscientists tell the stories of their scientific work in this fascinating series of autobiographical essays. Within their writings, they discuss major events that shaped their discoveries and their influences, as well as people who inspired them and helped shape their careers as neuroscientists.
