Society for Neuroscience
Seeking resources to communicate with the public about neuroscience? Educating others through Brain Awareness activities?

*BrainFacts.org* can help you communicate how the brain works.

Explore *BrainFacts.org* for easy-to-use, accessible resources including:

- Information about hundreds of diseases and disorders
- Concepts about brain function
- Educational tools
- Multimedia tools and a social media community
- Interviews and discussions with leading researchers; and more
See You In CHICAGO

Neuroscience 2015

October 17-21
We offer a large collection of well characterized antibodies against neuroscience related proteins. Most of our antibodies are exclusively available at Synaptic Systems and have been developed in-house in close collaboration with reknown experts in the field. Purchase your antibodies directly from the manufacturer and benefit from our experience and expertise.
