

Correction: Liang et al., Cdk5 Regulates Activity-Dependent Gene Expression and Dendrite Development

In the article “Cdk5 Regulates Activity-Dependent Gene Expression and Dendrite Development” by Zhuoyi Liang, Tao Ye, Xiaopu Zhou, Kwok-On Lai, Amy K.Y. Fu, and Nancy Y. Ip, which appeared on pages 15127–15134 of the November 11, 2015 issue, the authors regret an error in Figure 4, B and C, where the headings were accidentally reversed during revision. The data and quantification were rechecked and the error was found only in the headings of the two panels. The corrected Figure 4 is shown below.
