## A Note of Appreciation for Reviewers and Editors

The quality of *The Journal of Neuroscience* depends on the effort that is generously contributed by our reviewers and editors. I want to thank all of the reviewers who have lent their expertise to *JNeurosci* during the past two years. Special thanks go out to an outstanding group of reviewers who have provided extraordinary number of thoughtful reviews along with frequent reviewers who have reviewed six or more manuscripts each year.

I also want to thank all of the Senior Editors, Reviewing Editors and Associate Editors who give so much of their time to *JNeurosci*. We extend a special thanks to the editors who completed their terms in 2017: Senior Editor Matthew Rushworth; Reviewing Editors Tracy Bale, Vittorio Gallo, and Eric Klann; and many Associate Editors. The expertise and dedication of the editorial board is key to *JNeurosci* success.

Sincerely,

Marina Picciotto  
Editor-in-Chief, *The Journal of Neuroscience*
