Erratum: On the first page of the table of contents of the April 1993 issue of this Journal, an author's name was misspelled. The correct name of the first author of "Vulnerability of Oligodendroglia to Glutamate: Pharmacology, Mechanisms, and Prevention," beginning on p. 1441, is "A. Oka." The publisher regrets the error.

Erratum: In the article "Single Mossy Fiber Axonal Systems of Human Dentate Granule Cells Studied in Hippocampal Slices from Patients with Temporal Lobe Epilepsy," by M. Isokawa et al. (*J Neurosci* 13:1511–1522, April 1993), some data were misaligned in Table 3. The table is reprinted correctly below; note the data for Patient G in the ML column. The publisher regrets the error.
