

Correction

In the article "Selective Coupling of T-Type Calcium Channels to SK Potassium Channels Prevents Intrinsic Bursting in Dopaminergic Midbrain Neurons," by Jakob Wolfart and Jochen Roeper, which appeared on pages 3404–3413 of the May 1, 2002

issue, Figures 1B–D and 2A,B printed with erroneous time scales. A revised version of each figure, with the time scales corrected, is printed here.
