

In the article, “Cocaine Cues and Dopamine in Dorsal Striatum: Mechanism of Craving in Cocaine Addiction,” by Nora D. Volkow, Gene-Jack Wang, Frank Telang, Joanna S. Fowler, Jean Logan, Anna-Rose Childress, Millard Jayne, Yeming Ma, and Christopher Wong, which appeared on pages 6583–6588 of the June 14, 2006 issue, Anna Childress’ affiliation should have read as Department of Psychiatry, University of Pennsylvania School of Medicine, Philadelphia Department of Veteran’s Affairs Medical Center, Philadelphia, PA 19104. Also, the following grant statement should have also been included. Dr. Childress’ research was supported by VA VISN 4 MIRECC and the DANA Foundation.
