

The Journal of Neuroscience

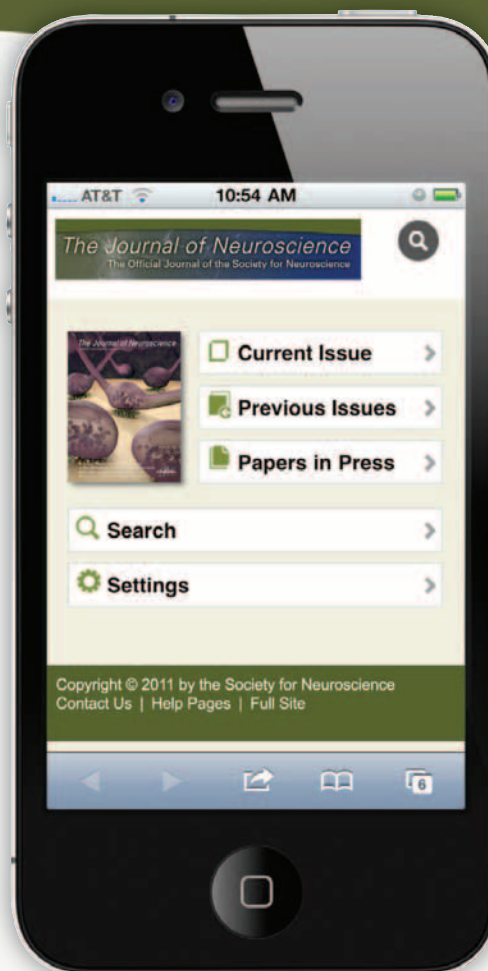

The Official Journal of the Society for Neuroscience

Launching in Spring 2012

The Journal of Neuroscience comes to Mobile Web

Access all of your journal resources wherever you go

- *The Journal of Neuroscience* will soon be available for comprehensive and universal mobile access
- Gain quick access to *The Journal* articles, table of contents, and the features you have come to expect from the premier journal in the field
- Connect to *The Journal* from virtually any mobile device, anywhere a web connection is available

Chair, Department of Neurology

Northwestern University Feinberg School of Medicine invites applications and nominations for the position of Chair, Ken and Ruth Davee Department of Neurology.

Assuming a leadership appointment at Northwestern Memorial Hospital and a directorship at Northwestern Medical Faculty Foundation, the Chair will join Feinberg at a crucial point in time; with the formation of our national brand called Northwestern Medicine, the Chair is not just the department leader but also an important figure across the academic medical center.

Ranked 12th in US News & World Report (Neurology and Neurosurgery), and 15th in NIH funding, the Department of Neurology has nearly \$14 million of annual research funding, and is home to over 70 faculty working in 12 clinical programs and eight interdisciplinary research centers.

He/she will report directly to the dean of the medical school.

Successful candidates will possess an MD or MD/PhD with board certification and be eligible for a faculty appointment as a full-time Professor, with proven scholarly accomplishments, and national recognition in a science discipline.

Please email nominations and CVs of appropriate candidates to the chair of the search committee, John Csernansky, MD, jcsernan@nmff.org.

Applications will be taken until the position is filled. Northwestern University is an Affirmative Action, Equal Opportunity Employer. Women and minorities are encouraged to apply. Hiring is contingent upon eligibility to work in the United States.

Neurology Opportunity in Sequim, WA

Olympic Medical Center, a comprehensive health care provider with services and facilities in Port Angeles and Sequim, Wash. is partnering with Swedish Neuroscience Institute in Seattle to offer innovative and high quality neurological care to the residents of Washington's Olympic Peninsula.

The ideal candidate is an experienced BC/BE physician who will help lead the establishment of neurology services in a multi-specialty clinic in Sequim, Wash.

Nestled on the Olympic Peninsula just 65 miles northwest of Seattle, Sequim provides access to abundant outdoor recreation, and a wide range of community attractions, with easy access to Seattle and Victoria, B.C. Nearby Olympic National Park, evergreen rain forest and Puget Sound provide unlimited opportunities for camping, hiking, biking, boating and kayaking.

For further information, please email your CV to Sheila Sampatacos, Supervisor, Physician Recruitment, at sheila.sampatacos@swedish.org or (206) 320-3608.

Are you an SfN member?

Join now and save on annual meeting registration. You'll also enjoy these member-only benefits:

- Abstract submission — only SfN members can submit abstracts for the annual meeting
- Lower registration rates and more housing choices for the annual meeting
- *The Journal of Neuroscience* — access *The Journal* online and receive a discounted subscription on the print version
- Free essential color charges for *The Journal of Neuroscience* manuscripts, when first and last authors are members
- Free online access to the *European Journal of Neuroscience*
- Premium services on NeuroJobs, SfN's online career resource
- Member newsletters, including *Neuroscience Quarterly* and *Nexus*

If you are not a member or let your membership lapse, there's never been a better time to join or renew. Visit www.sfn.org/joinnow and start receiving your member benefits today.

Join the Conversation

NeurOnline is a new, SfN members-only online community where you can share great science, network, forge collaborations, and keep in touch — anytime, anywhere — within a trusted forum. As with the SfN annual meeting and *The Journal of Neuroscience*, *NeurOnline*'s content and discussions will be generated *by* members, *for* members.

- Discuss emerging scientific findings
- Explore new tools and techniques
- Network year-round within the global community, more than 41,000 members worldwide
- Share experiences and receive or provide mentoring on different career paths, stages, and challenges
- Get involved in public outreach, from Brain Awareness and science teaching to advocacy

NeurOnline will help you advance *your* science and career on *your* schedule.
