

NEUROSCIENCE 2012

SEE YOU IN NEW ORLEANS
OCTOBER 13–17, 2012

SfN
SOCIETY FOR NEUROSCIENCE

Foundation for PSP | CBD and Related Brain Diseases

because hope matters

2012 International Research Symposium

November 16 - 17, 2012

Hyatt Regency Baltimore on the Inner Harbor
Baltimore, Maryland

Basic and clinical scientists interested in PSP, CBD and related brain diseases are invited to attend.

Abstracts of 250-300 words for the poster session should be submitted by October 1 to CurePSP's Scientific Director, Lawrence I. Golbe, MD, at golbe@umdnj.edu. Decisions will be made by October 15.

For more information, please contact Adrienne Bantum at bantum@curepsp.org.

Neurology Opportunity in Sequim, WA

Olympic Medical Center, a comprehensive health care provider with services and facilities in Port Angeles and Sequim, Wash. is partnering with Swedish Neuroscience Institute in Seattle to offer innovative and high quality neurological care to the residents of Washington's Olympic Peninsula.

The ideal candidate is an experienced BC/BE physician who will help lead the establishment of neurology services in a multi-specialty clinic in Sequim, Wash.

Nestled on the Olympic Peninsula just 65 miles northwest of Seattle, Sequim provides access to abundant outdoor recreation, and a wide range of community attractions, with easy access to Seattle and Victoria, B.C. Nearby Olympic National Park, evergreen rain forest and Puget Sound provide unlimited opportunities for camping, hiking, biking, boating and kayaking.

For further information, please email your CV to Sheila Sampatacos, Supervisor, Physician Recruitment, at sheila.sampatacos@swedish.org or (206) 320-3608.

GIVE TO THE FRIENDS OF SfN FUND

*Support the next generation of
neuroscientists through travel awards
and other career development initiatives.*

To inquire about specific initiatives, or to make a tax-deductible donation,
visit www.sfn.org/supportsfn or e-mail: development@sfn.org.

The Journal of Neuroscience

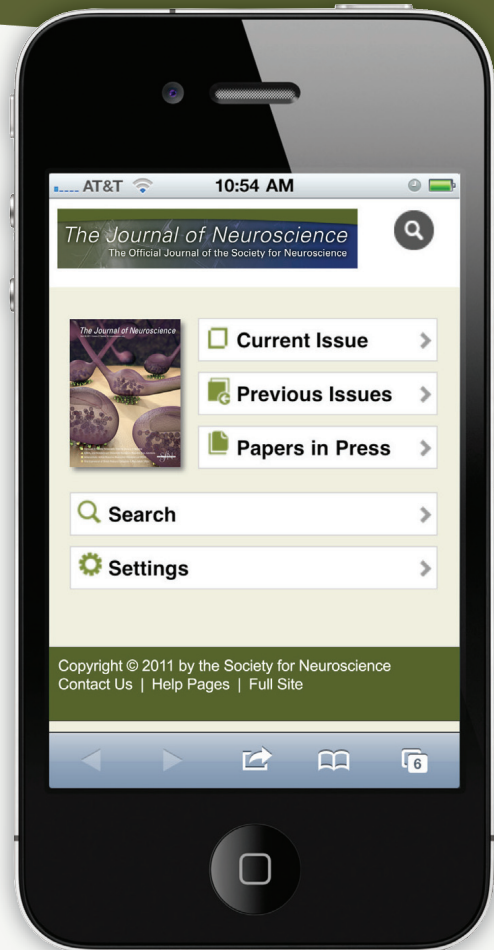

The Official Journal of the Society for Neuroscience

Launching in Spring 2012

The Journal of Neuroscience comes to Mobile Web

Access all of your journal resources wherever you go

- *The Journal of Neuroscience* will soon be available for comprehensive and universal mobile access
- Gain quick access to *The Journal* articles, table of contents, and the features you have come to expect from the premier journal in the field
- Connect to *The Journal* from virtually any mobile device, anywhere a web connection is available

Duke University

Join the Conversation

NeurOnLine is a new, SfN members-only online community where you can share great science, network, forge collaborations, and keep in touch — anytime, anywhere — within a trusted forum. As with the SfN annual meeting and *The Journal of Neuroscience*, *NeurOnLine's* content and discussions will be generated *by* members, *for* members.

- Discuss emerging scientific findings
- Explore new tools and techniques
- Network year-round within the global community, more than 41,000 members worldwide
- Share experiences and receive or provide mentoring on different career paths, stages, and challenges
- Get involved in public outreach, from Brain Awareness and science teaching to advocacy

NeurOnLine will help you advance *your* science and career on *your* schedule.

Share the wonders of the brain and mind with BrainFacts.org

A PUBLIC INFORMATION INITIATIVE OF:

Seeking resources to communicate
with the public about neuroscience?
Educating others through Brain
Awareness activities?

BrainFacts.org can help you
communicate how the brain works.

Explore *BrainFacts.org* for easy-to-use, accessible resources including:

- Information about hundreds of diseases and disorders
- Concepts about brain function
- Educational tools
- Multimedia tools and a social media community
- Interviews and discussions with leading researchers; and more

Visit *BrainFacts.org*

SfN members enjoy premium services, including resume posting and job alert e-mail notices.

NeuroJobs
SfN's ONLINE CAREER CENTER

Have you seen SfN's enhanced job site?

NeuroJobs — the premier online neuroscience career center — helps you find jobs and manage your career. NeuroJobs is now part of the National Healthcare Career Network* providing access to even more career opportunities.

For your next career search, visit NeuroJobs first!

www.sfn.org/neurojobs

"The National Healthcare Career Network (NHCN) is a consortium of healthcare association job boards working together to provide the most effective recruitment resource."
