Neuroscience Faculty Positions

The **California Institute of Technology** invites applications for tenure-track professorial positions in the Division of Biology and Biological Engineering. We are searching for talented investigators in **Molecular, Cellular, and Systems Neuroscience**. Successful applicants are expected to develop an innovative research program and should have a commitment to teaching. Preference will be given to candidates at the Assistant Professor level. Initial appointments at the assistant professor level are for four years, and are contingent upon completion of the Ph.D. degree.

Please submit an on-line application at <http://biology.caltech.edu/Positions> and include a brief cover letter, curriculum vitae, relevant publications, and a description of proposed research. Instructions will be given for submission of letters of reference when you apply on-line. The **application deadline is October 31, 2013**. Applicants must be prepared to **attend a recruiting symposium at Caltech on January 9-10, 2014**.

The California Institute of Technology is an Equal Opportunity/Affirmative Action Employer. Women, minorities, veterans, and disabled persons are encouraged to apply.
