Correction: Romero et al., Coding of Shape Features in the Macaque Anterior Intraparietal Area

In the article “Coding of Shape Features in the Macaque Anterior Intraparietal Area” by Maria C. Romero, Pierpaolo Pani, and Peter Janssen, which appeared on pages 4006–4021 of the March 12, 2014 issue, the *y*-axis of the plot in Figure 4B was mislabeled, and the icons in Figure 7A were misplaced. Corrected versions of the figures are presented here. These corrections concern display issues only and do not affect the conclusions from the study.
