PARKINSON'S DISEASE RESEARCH ENDOWED CHAIR

The Department of Neurology at the Medical University of South Carolina (MUSC) is initiating a search for an Associate or Full Professor tenure-track faculty member to hold the Josephine Tucker Morse S.C. Centers of Economic Excellence Endowed Chair in Parkinson's Disease. The successful candidate will lead the research division of the MUSC Movement Disorders Program and will join a dynamic, diverse, and collaborative team of neurologists and neuroscientists. Candidates should have a doctoral degree, extramural funding in Parkinson's Disease, a strong record of research accomplishments, and a commitment to developing an independent as well as collaborative translational research program. A competitive recruitment package will include salary and fringe benefits, start-up funds, laboratory space and shared equipment facilities.

MUSC is located in Charleston, SC, in the heart of the historical downtown, and in close proximity to beautiful beaches and the Atlantic Ocean.

Applicants should send their curriculum vitae, a brief summary of their research program and future research plans, and three letters of recommendation electronically to hinsonvk@musc.edu. Address all correspondence to:

Vanessa K. Hinson, MD, PhD, Chair
Parkinson's Disease Endowed Chair Search Committee
Department of Neurology Movement Disorders Program
Medical University of South Carolina
326 Calhoun Street, Suite 308, MSC 108
Charleston, SC 29425-0218

Review of applications will begin on **April 1, 2014**, and will continue until the position is filled.

MUSC is an Affirmative Action/Equal Opportunity Employer. Applications from qualified women, minorities and/or disabled individuals are encouraged.

**YOU KNOW WHAT YOU WANT
IN A NEUROLOGY CAREER.**

WE KNOW WHERE YOU CAN FIND IT.

Baystate Health is embarking on building a Neurosciences Center of Excellence and is looking to recruit top talent to support this growing enterprise. As the leader in neurosciences within the region, both at the 716 bed tertiary, level one trauma center and the integrated two affiliated community hospitals, Baystate is seeking an outstanding neurologist to join the team of 19 providers caring for patients in a variety of regional settings. Candidate should desire to practice state-of-the-art medicine while providing the highest quality patient care. As a member of this growing team you will have the opportunity to combine your clinical practice skills with teaching and clinical research. The focus of the position is primarily outpatient general neurology with some inpatient responsibility with the ability to practice in multiple locations, including Baystate Medical Center - a 716 bed tertiary care facility which serves as the principal referral center for western Massachusetts, as well as Baystate Franklin Medical Center (BFMC) in Greenfield, Massachusetts - a 93-bed acute care community hospital and certified Primary Stroke Center. This is an employed position within our large multi-specialty group of 600+ physicians.

There is potential to develop an area of specialty interest in addition to practicing general neurology. Candidates must be BE/BC in neurology and have excellent organizational, communication and team skills. Our office hours and call schedule offer flexibility for a healthy work/life balance. We are pleased to provide a competitive compensation package, which includes a base salary, bonus incentives, and generous health insurance, CME, relocation and vacation packages. At Baystate Health, we are proud of our environment of diversity, inclusion, and cultural competence where all providers, employees and patients feel valued and included.

We are committed to raising the standard for excellence - Join us in delivering a higher state of caring at Baystate Health.
