An unwavering commitment to quality has made Fine Science Tools one of the premier suppliers to researchers around the world. Our surgical and microsurgical instruments are designed to exacting specifications, manufactured by skilled European craftsmen, and forged from the finest German stainless steel.
Become part of the world’s largest organization of scientists and physicians devoted to understanding the brain and nervous system.

Join today to enjoy these exclusive member benefits:

- Reduced fees and advanced registration for Neuroscience 2017
- Online subscription and reduced publication fees for JNeurosci
- Abstract submission eligibility for the annual meeting
- Networking, webinars, and scientific discussion on Neuronline
- Free online access to the European Journal of Neuroscience
- Premium online career services through NeuroJobs
- Networking, webinars, and scientific discussion on Neuronline
- And more!

Annemarie Opprecht-Foundation

Announcement of the seventh competition for the Annemarie Opprecht Parkinson Award

The international award for research on Parkinson’s disease which is sponsored by the Annemarie Opprecht-Foundation (Switzerland) will be presented for the seventh time in the year 2018 with a sum of 100’000 Swiss francs.

All papers presenting significant results or findings in all areas of research in the field of Parkinson’s disease (e.g. basic sciences, epidemiology, treatment) should be considered for application.

All details regarding the award such as conditions for submission, addresses, contacts and deadlines can be found on the Foundation’s website:
www.opprecht-foundation.org

Mathias Sturzenegger, MD, Professor of Neurology
President of the Prize Committee

Secretariat of the Prize Committee
Parkinson Schweiz, P.O. Box 123, Gewerbestr. 12a, CH-8132 Egg, Switzerland, phone +41 43 277 20 77, fax +41 43 277 20 78, e-mail: aofoundation@parkinson.ch

Share the wonders of the brain and mind with BrainFacts.org

A PUBLIC INFORMATION INITIATIVE OF:

Seeking resources to communicate with the public about neuroscience? Educating others through Brain Awareness activities?

BrainFacts.org can help you communicate how the brain works.

Explore BrainFacts.org for easy-to-use, accessible resources including:

- Information about hundreds of diseases and disorders
- Concepts about brain function
- Educational tools
- Multimedia tools and a social media community
- Interviews and discussions with leading researchers; and more

Visit BrainFacts.org
By enabling the spread of new information and ideas, we make it easier for neuroscientists to extend the reach, and influence, of their work. The challenges ahead are big, and so is our network.
