### Erratum: Li et al., “The DNA Repair-Associated Protein Gadd45 $\gamma$ Regulates the Temporal Coding of Immediate Early Gene Expression within the Prelimbic Prefrontal Cortex and Is Required for the Consolidation of Associative Fear Memory”

In the article “The DNA Repair-Associated Protein Gadd45 $\gamma$  Regulates the Temporal Coding of Immediate Early Gene Expression within the Prelimbic Prefrontal Cortex and Is Required for the Consolidation of Associative Fear Memory” by Xiang Li, Paul R. Marshall, Laura J. Leighton, Esmi L. Zajackowski, Ziqi Wang, Sachithrani U. Madugalle, Jiayu Yin, Timothy W. Bredy, and Wei Wei, which appeared on pages 970–983 of the February 6, 2019 issue, some of the references on page 971, first full paragraph, appeared incorrectly. Beginning with the third sentence, the references “Baker-Andresen et al., 2013”, “Li et al., 2014”, and “Miller et al., 2010; Baker-Andresen et al., 2013; Li et al., 2014” should appear as “Savell et al., 2016”, “Rudenko et al., 2013”, and “Massart et al., 2015; Wright et al., 2015”, respectively. In addition, the following references should be added to the reference list:
