

# Erratum

## Erratum: Bai et al., “Circular RNA DLGAP4 Ameliorates Ischemic Stroke Outcomes by Targeting miR-143 to Regulate Endothelial-Mesenchymal Transition Associated with Blood–Brain Barrier Integrity”

In the article “Circular RNA DLGAP4 Ameliorates Ischemic Stroke Outcomes by Targeting miR-143 to Regulate Endothelial-Mesenchymal Transition Associated with Blood–Brain Barrier Integrity,” by Ying Bai, Yuan Zhang, Bing Han, Li Yang, Xufeng Chen, Rongrong Huang, Fangfang Wu, Jie Chao, Pei Liu, Gang Hu, John H. Zhang, and Honghong Yao, which appeared on pages 32–50 of the January 3, 2018 issue, on page 45 within Figure 8*H*, the Western blot image of GAPDH was mistakenly replaced by the representative Western blot image of GAPDH in Figure 7*H*. This error does not affect the conclusion of the article. The updated Figure 8 is below. The online version has been updated.
