JNeurosci is an official journal of the Society for Neuroscience (SfN). It is published weekly by the Society, 50 weeks a year, one volume a year. Email: JN@sfn.org.

Online ISSN: 1529-2401

Subscriptions are on a volume basis beginning with the first issue of the year. 2023 institutional subscription rates are available online at <https://www.jneurosci.org/subscriptions/rates>. Institutional subscribers should direct subscription orders to subscriptions@sfn.org.

Advertising inquiries should be addressed to adsales@sfn.org.

Copyright of all individual articles published in *JNeurosci* remains with the authors. Six months after issue publication, articles become available to the public to copy, distribute, or display under a [Creative Commons Attribution 4.0 International \(CC BY 4.0\) license](https://creativecommons.org/licenses/by/4.0/). *JNeurosci* as a collective work is copyright © 2023 Society for Neuroscience. All rights reserved.

Permissions: Questions or requests for general distribution, resale, advertising, and promotional purposes, or for creating new works of non-CC BY content should be directed to Journal Permissions at jnpermissions@sfn.org.

Photocopies: *JNeurosci* is registered with the Copyright Clearance Center (CCC), 222 Rosewood Drive, Danvers, MA 01923, or www.copyright.com. Authorization to photocopy items for the internal or personal use of specific clients is granted by SfN provided that the copier pay the appropriate fee directly to the CCC.

JNeurosci is indexed by BIOSIS, Chemical Abstracts Service, Current Contents, Embase, Index Medicus/Medline, PubMed, PubMed Central, and PsycINFO.

The ideas and opinions expressed in *JNeurosci* do not necessarily reflect those of SfN or the *JNeurosci* Editorial Board. Publication of an advertisement or other product mention in *JNeurosci* should not be construed as an endorsement of the manufacturer's claims. SfN does not assume any responsibility for any injury and/or damage to persons or property arising from or related to any use of any material contained in *JNeurosci*.
